Notes:
 Students are counted as retained only if they are enrolled in or have graduated from a program with the same expected start date as the program in which they were enrolled during the term in which they entered the cohort. The degree level represents the degree level of the program in which the student was enrolled when they entered the tracking cohort.

Adjusted Cohorts are made up of the new students in the Fall A term of the given year, minus allowable exclusions from the calculation of program-based retention and graduation rates. Allowable exclusions include enrollments with statuses such as: Deceased, Leave of Absence, No Show, Re-Entry, Transfer to Other Campus, Transfer to Other Program.
